**PLEASE COMPLETE THIS FORM AND RETURN TO MOHILL OFFICE IF YOU ARE CURRENTLY PARTICIPATING IN GENOMIC SCHEMES OR GENOTYPING DIRECTLY WITH ICBF**

**Consent form for permission for the use of genomic samples for myostatin testing**

**Bull calves only – cost covered by the Association**

Name:

Address:

Herd Number:

Membership Number:

I \_\_\_\_\_ authorise consent for the ICBF to request additional major genes testing using the genomic samples already received for bull calves and to provide the results back to the breeder through the ICBF database and the IAAA.

I understand that the results may be used subsequently on zootechnical certificates, sales catalogues, and other cattle related publications issued by ICBF and the IAAA.

Signed: \_\_\_\_\_
